The great struggles of the twentieth century between liberty and totalitarianism ended with a decisive victory for the forces of freedomâ€”and a single sustainable model for national success:

The National Security Strategy of the United States of America

Support New America â€” We are dedicated to renewing America by continuing the quest to realize our nation's highest ideals, honestly confronting the challenges caused by rapid technological and social change, and seizing the opportunities those changes create.

New America

How did the character of American politics change between the 1820s and the 1850s as a result of growing popular participation? Understanding. Between the 1820s and 1850, as more white males won the right to vote and political parties became more organized, the character of American democracy changed.

Lesson Plans for High School Civics, Government and U.S

Broad support for democracy The American public's support for the concept of democracy remains strong. In contrast to the period before World War II, when the appeal of fascism and communism was spreading through Europe and the United States, this project does not show a recent decline in support for the idea of democracy.

The Democracy Project: Reversing a Crisis of Confidence

In the 1630s, English Puritans in Massachusetts Bay Colony created a self-government that went far beyond what existed in England. Some historians argue that it was a religious

Promoting freedom and democracy and protecting human rights around the world are central to U.S. foreign policy. The values captured in the Universal Declaration of Human Rights and in other global and regional commitments are consistent with the values upon which the United States was founded centuries ago.

Bureau of Democracy, Human Rights, and Labor (DRL)

About ADP. The American Democracy Project (ADP) is a network of more than 250 state colleges and universities focused on public higher education's role in preparing the next generation of informed, engaged citizens for our democracy.
