The major writings of Hungary's most influential social-political theorist, who died in 1979.

Democracy, revolution, self-determination : selected

Restrictions on self-determination cannot be the answer but rather the extension of democracy and self-determination down to the smallest community. Some people believe that such an extension of democracy and self-determination will threaten the political stability of the modern state. I think the opposite will happen.

Self Determination & the Future of Democracy - Tamil Nation

Do cultural, ethnic, religious, and other minority groups have reasonable self- determination, self-government, autonomy, or participation through informal consensus in the decision-making process?

Defining Democracy - Harvard University

Stanford Libraries' official online search tool for books, media, journals, databases, government documents and more.

Democracy, revolution, self-determination : selected

First, there is a right to national self-determination. Second, this self-determination must manifest in a type of popular rule, and the people, in ruling themselves, have the right to select and approve the form and substance of government. The important point is that democracy is comprehensible only through the prism of the nation.

Nationalism and Liberal Democracy - Geopolitical Futures

Revolution is the Scottish magazine of the International Marxist Tendency. The IMT is active in over 40

countries around the world, spreading the ideas of Marxism and building the forces of socialist revolution among workers and youth.

Democracy, Self Determination and Capitalism â€“ REVOLUTION

determination to a right to autonomy is not in accordance with the idea of self-determination as a human right and neither is the denial of the right of secession in absoluto. I will argue,

Self-Determination of Indigenous Peoples within the Human

Self-determination as a political force in interna-tional society is a relatively recent phenomenon, emerging in the aftermath of World War I and the breakup of the Ottoman and Austro-Hungarian empires as a demand of national groups seeking to divide territory. President Woodrow Wilson was the statesman most closely identified with the self-determination principle, though ironically the term ...
